11 November 1993

Dear Professor Karanovic

It is with great pleasure that I inform you officially that the General Assembly in Beijing, China, accepted the application of the Ministry for Science and Technology to join the International Union of Crystallography, and received your delegate into the General Assembly.

I enclose an invoice covering your subscription to the IUCr for 1993 and look forward to receiving payment in the near future.

Yours sincerely

M.H. Dacombe

c.c. Professor Bela Ribar
